LION

Serving our Community Since 1960

Who are the LIONS?

Lions Clubs International was founded in 1917 in Chicago, Illinois, by businessman Melvin Jones. Melvin Jones was born at Fort Thomas, Arizona, where the Lions International Memorial now stands.

In 1925, **Helen Keller** addressed the Lions international convention in Ohio. She challenged Lions to become "**knights of the blind in the crusade against darkness**". Since then Lions clubs have been actively involved in service to the blind & visually impaired.

Lions Clubs International has grown to become a worldwide service organization of over:

- 46,000 clubs
- 200+ Countries & geographical areas
- over 1.4 million members

Major Service Activities include:

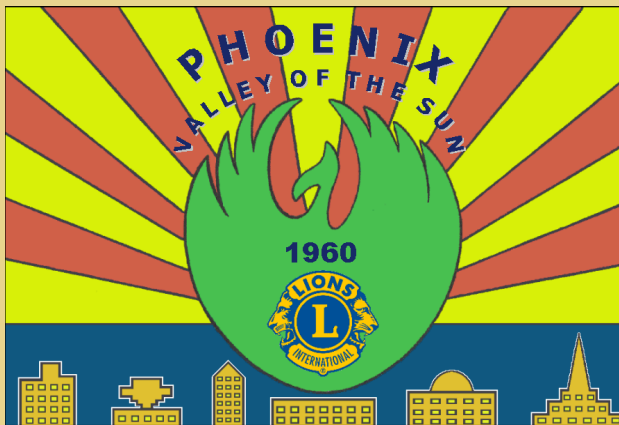

- Sight Conservation & work with the Blind
- Hearing & Speech Action & work with the Deaf
- Youth Outreach
- Environmental Services
- Diabetes Awareness

Lions clubs provide the framework for on-going humanitarianism as well as team fellowship with committed & involved members of a community. This gives each member the ability for focused generosity, lasting friendships, and the opportunity for a quality of lifetime avocation.

Our MOTTO:

Phoenix Valley of the Sun Lions Club

The **Phoenix Valley of the Sun Lions Club** has been serving Phoenix Communities since 1960 when our club was formed. Our club has members from all walks of life, but we have one thing in common:

The desire to serve & better our community.

Ever since the founding of our club on **June 2nd, 1960**, with hard work from its members and enthusiastic on-going community support, the **Phoenix Valley of the Sun Lions Club** has provided continual service and financial assistance to our community.
